K: Read the text and answer the questions.

It was very dark. Two men were walking across the plain. Snow was lying on the ground and a cold wind was blowing. They saw a light behind some trees and soon arrived at a house. A poor old man immediately invited them into a clean room. He seemed to be a strange man, but he spoke kindly and offered them milk and fresh fruit. The two men remained there until morning. Then the man guided them to the nearest village. They wanted to give him some money for his help, but he didn't accept it.

Questions:

1. Where were they walking?
2. Who lived in that house?
3. Where did they stay that night?
4. Did they offer any money to the old man?
5. What season was it?
6. That man was a kind person. (true / false)
